Diversity, Accessibility & Inclusion Sponsorships

C4L seeks to provide a conference & community that is welcoming, inclusive, professionally engaging, fun, & safe for everyone. To accomplish this, we offer sponsorship opportunities aimed at providing an inclusive experience for all attendees, & can be purchased alone, or added to a General Sponsor.

Streaming Video

2 @ \$2,500

A live webcast & recording of the C4L Conference is provided to ensure the entire community can participate.

Captioning

2 @ \$1,500

To ensure universal access, the annual C4L conference will provide real-time transcription & closed captioning during the live webstream, along with full transcripts for the published post-conference recordings.

Post-Conference Video Production

2 @ \$1,500

Each day of the annual C4L conference will be shared on the C4L YouTube Channel. After the conference has ended, the videos will be reviewed, re-captioned & edited, & will include a closing screen with a Thank You to the Sponsors.

Food & Beverage

4 @ \$1,000

Each year, about 20% of our attendees report dietary needs. The C4L community is dedicated to providing meals for all attendees, ensuring inclusion at dining events. This sponsorship will cover the costs of meeting these needs.

Diversity Scholarship

6 @ \$1,750

Diversity scholarships cover travel & conference fees for qualified applicants from a group not well-represented within the C4L community, including but not limited to: women, people of color, LGBTQ+, ability/disability, non-binary gender identities, etc.

Join Code{4}Lib as an Exhibitor!

Tables in a high-traffic area provide exhibitors a chance to interact with the Code4lib community on-site, & visibility throughout the conference. Participants will be able to visit tables during the AM & PM breaks, lunches, breakout sessions, & immediately following daily sessions. General sponsors are encouraged to also get exhibitor tables. Exhibitor Tables include one complimentary conference registration.
